

FRESH-N-CRISP[®] LIQUID

Laundry Detergent

Description A concentrated liquid farm laundry detergent specifically formulated to handle tough soils found on farm clothing, dairy udder prep towels, shop towels, etc. Fresh-N-Crisp is effective in all types of water conditions providing superior and economical laundering performance leaving laundry clean and fresh. And, Fresh-N-Crisp is biodegradable making it safer for farm and waste handling facilities. An excellent choice for industrial laundering systems.

- Features**
- Concentrated liquid provides economical laundering
 - Can easily be dispensed through industrial laundering systems
 - Heavy-duty alkaline detergents quickly saturate laundry to lift and remove soils
 - Won't bleach materials
 - Light, fresh scent
 - Biodegradable formula is safer for the environment

Read and understand all instructions before using this product. For additional information, refer to the Material Safety Data Sheet available from your local route supply person or farm store.

- Directions**
- **Medium-to-Large Capacity Automatic Washers...** Use 4-6 oz. of Fresh-N-Crisp per load of laundry.
 - **Heavy Duty and Industrial Automatic Washers...** Use 6-8 oz. of Fresh-N-Crisp per load of laundry.

To achieve desired results when washing in hard water areas, heavily soiled clothing or dairy towels, slightly more Fresh-N-Crisp may be required. For heavily soiled loads, a sanitizing rinse cycle is recommended.

Safety Information **CAUTION! KEEP OUT OF REACH OF CHILDREN!**
Contact with undiluted product can cause severe irritation to eyes, skin and mucous membranes. Avoid contact with undiluted product.

First Aid:

Eye Contact: Flush with water. Remove contact lenses, if present, after first five minutes. Then continue rinsing.
