  - Dissolves easily and completely for effective laundering
  - Biodegradable formula is safe for farm and other waste handling facilities
  - Won't bleach materials
  - Light, clean scent
  - Concentrated formula provides economical laundering

Read and understand all instructions before using this product. For additional information, refer to the Material Safety Data Sheet available from your local route supply person or farm store.

**Directions** Top Loading Automatics...1/2 cup per load  
Front Loading Automatics...1/3 cup per load  
To achieve desired results when washing in hard water areas, heavily soiled clothing or dairy towels, slightly more Fresh-N-Crisp may be required. For heavily soiled loads, a sanitizing rinse cycle is recommended.

**Safety Information** **CAUTION! KEEP OUT OF REACH OF CHILDREN!**  
Contact with undiluted product can cause severe irritation to eyes, skin and mucous membranes. Avoid contact with undiluted product.

### **First Aid**

**Eye Contact:** Flush with water. Remove contact lenses, if present, after first five minutes. Then continue rinsing.

**Skin Contact:** Flush with water. If irritation develops, get medical attention.

**If Swallowed:** Do not induce vomiting. Give victim large amounts of milk or water. Get immediate medical attention. Never give anything by mouth to an unconscious person.

### **Storage and Disposal:**

**Thoroughly rinse all measuring devices and store out of reach of children.** Store in a cool dry place. Keep container closed when not in use. Do not reuse empty container. Thoroughly rinse empty container before disposing in a safe manner. Avoid contact with food.
